SENATE BILL

No. 943

Introduced by Senator Machado

February 23, 2007

An act ~~relating to prisons~~ to add Chapter 3.12 (commencing with Section 15820.100) to Part 10b of Division 3 of Title 2 of the Government Code, relating to prisons, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

SB 943, as amended, Machado. Prisons: construction.

Existing law charges the Department of Corrections and Rehabilitation with the responsibility of planning and constructing state correctional facilities and permits funding for the construction of various prisons through lease-purchase financing arrangements.

~~This bill would declare the intent of the Legislature to appropriate funds for the construction of a central health services building at California State Prison at San Quentin.~~

This bill would authorize funding for the design and construction of a central health facility at San Quentin State Prison, as specified, by means of state issued revenue bonds. It would authorize the State Public Works Board to issue up to \$146,160,000 in revenue bonds, notes, or bond anticipation notes for that purpose and would continuously appropriate the proceeds for that purpose.

This bill would declare that it is to take effect immediately as an urgency statute.

Vote: $\frac{2}{3}$. Appropriation: ~~no~~-yes. Fiscal committee: ~~no~~-yes.
State-mandated local program: no.
